

## Over the sea and far away

*L.O. Where is Uganda?*

**Starter:** *Where is 'Uganda'?* Give out blank maps of the world. Students try to label Africa, Uganda and England.

**Activity 1:** *Where is Uganda?* Look at the google maps page on Uganda ([here: http://uganda2009.wordpress.com/google-maps/](http://uganda2009.wordpress.com/google-maps/)). Students to check their location of England, Africa and Uganda and label them correctly.

**Activity 2:** *How would you get there?* Students to plan out a journey from their school to Uganda: What types of transport would they have to take? How far is it? How long would each part of the journey take? Mark the journey on the map. Then it could be laid out as below:

Type of transport (draw below)	Distance?	Time?
(e.g. Car to the airport)		
(e.g. Plane)		
(e.g. Car to the hotel)		

**Plenary:** Imagine you did that journey. How would you feel at the end of it? Write down 3 words to describe your feelings.

**Possible homework:** Exactly how many miles is it from your home to Uganda?
